The ZIP codes for each region are listed on the Appendix to these rules.

The following is an overview of how the Entries will be randomly selected for this Promotion.

1. After the established Entry deadline date, but prior to the Drawing, all eligible Entries submitted for the Drawing will be accounted for and the information loaded into a randomizer program.
2. Representatives from the Lottery's Security, Communications and Customer Relations, and Information Technology Services departments will oversee the use of the randomizer program to select the Winning Entries for this Promotion.
3. A Winning Entry will be randomly selected for each of the four (4) regions of the Commonwealth. The Winning Entries drawn shall be recorded by Lottery officials. The Lottery's decision shall be final and controlling.
4. Immediately after each Prizewinner is selected, three (3) alternate Entries per region will be selected using the same randomizer program. All alternate Prizewinners will be recorded in the order in which they were selected and will be used should any of the other Prizewinners be determined ineligible.
5. After the Drawing is completed, representatives of the Lottery's Security, Communications and Customer Relations, and Information Technology Services departments will confirm that the Entries selected in the Drawing are valid.

Each Prizewinner is legally required to include the value of the Prize, as well as any taxes paid by the Lottery on the Prizewinner's behalf, in the Prizewinner's taxable income for tax reporting purposes.
